News from the headteacher

Please check whether your child is missing any items of school uniform. We have a huge number of jumpers etc. which are unnamed. They are in the school's outer atrium, so please check whether any item should be taken home. You will see some examples of clothing left in school that is not uniform, but also unnamed.

We have had a huge number of activities this week. Many class teachers hosted school trips for their children, including a trip to Beddgelert, the Sea Zoo, Pili Palas, the RNLI and Foel Farm. I am immensely grateful that our teachers have organised these fun activities for your children.

End of year prize giving also took place for Bl. 1, 2, 3, 4 & 5 this week. We are so proud that every child is striving to reach their potential in all areas of school life.

As we are approached the last week of term all outstanding debts must be paid on ParentPay. If we are not paid by parents and carers, our very challenging budget is impacted and we are less able to pay for other resources and equipment. All debts must be paid to balance our budget.

The school disco was another fabulous event. Many thanks to Gemma and Debbie for the catering, Mr Emberton for the music, and the many staff who helped to supervise the fun.
