Issue 28 Friday 3<sup>rd</sup> May 2019

News from the headteacher

## **School is closed on Bank Holiday Monday 6<sup>th</sup> May.**

National Testing takes place between May 7 and May 14 inclusive. Please ensure your child is at school at the official bell (8:55) as the procedures for testing begin upon arrival.

We've had a fantastic first week back. From the first day after our lovely long Easter break, the children have been so positive and so well behaved. They've returned and remembered our three school rules: Be Ready, Be Respectful and Be Safe. We continue to see fantastic walking, nice manners, all children in uniform and an abundant use of please and thank you. They are all working on their targets too - both whole class and their own personal targets. We are immensely proud of them all.

We hosted an Assembly on Tuesday to cover the issues of littering and dog fouling. Two members of staff from Conwy came in to talk about these subjects to all children. We need to remind the whole community to help protect our landscape from litter and dog mess. The Eco Council met with them after and we will be working as a whole school to broadcast the message of greater responsibility and will create a poster campaign to this effect.

We are now in the summer term, but the weather continues to be unpredictable. Please ensure your child continues to come to school with a coat, which is labelled with their name.

A new film has been launched by the National Autism Team which aims to support parents and carers of newly-diagnosed autistic children. Please follow this link for further information -
