News from the headteacher

Following the recent review by Estyn (Her Majesty's Inspectorate for Education and Training in Wales) of our school, we can confirm that we have made significant progress in respect of the key issues for action. The Governing Body joins me in thanking all staff for their commitment to improve our teaching practices and their drive and energy to develop every child in our care, and help them to reach their potential. By implementing some fantastic new initiatives, including more learning using the outdoors, as well as through play and drama based activities, your children are benefitting hugely and with great enthusiasm from these activities. We are extremely proud of the teachers, parents and children who are all working towards giving the children the best possible standard of education and we also thank the Board of Governors for their enthusiasm and commitment in helping us to achieve our goals.

Bl. 5 had a really enjoyable day at Ysgol Bryn Elian on their transition taster day.

If you are interested in your child attending Breakfast Club in September please complete an application form. The form is available from Mrs Howells in the school office. If your child currently attends Breakfast Club you do not need to apply for September. New applications will be placed on a waiting list and you will be contacted at the end of school term. Diolch
