

Ysgol Cynfran - Weekly Newsletter

Issue 23 Friday 6th March 2020

News from the headteacher

Bl. 5 attended the Can Sing music bonanza this week at Venue Cymru. They listened intently to a whole orchestra perform, two classical singers, and then performed some pieces themselves. Mrs Johnson said they were mesmerised by the experience, and they also represented our school perfectly.

Our free trees have arrived: many hundreds as Mr Rogers and Mr Emberton ordered so many. We will be planting these out shortly creating more areas of natural habitat in our wonderful school grounds. If we have spare saplings, please let us know where in the community we could plant them. The children are keen to lead on this.

Many thanks to Summer and Starla's dad for all the astro turf he donated to school. This will be used in numerous areas of the school.

We had 23 children achieve their Level 1 / 2 Cycling Training Award. This is a brilliant number. Da iawn pawb.

We sent the coronavirus information out last week. We're also encouraging children to wash their hands when necessary, and to do so for a twenty second period of time.

Facebook. Can we please remind you all that the Friends of Ysgol Cynfran page is for information sharing only. If you need to raise a matter with your class teachers, please make contact with them. Diolch
