News from the Headteacher

With the rain and snow this week, it's even more important that your child has spare footwear in school. This can be slippers, trainers, or spare outdoor shoes. Diolch

Mrs Lewis reports this week that 21 of the 27 children in Dosbarth Derbyn are now on reading books. She and Mrs Johnson are over the moon with this number, as are the rest of the staff. Many thanks to all parents and carers who help with this much needed bit of homework, listening to your children read to you.

Another record this week. A total of 23 children began Cycling Proficiency this week. We will update you on their progress. Alongside the Green Cross Code, and the Zig Zag competition we continue to instil in your children the need to be aware of hazards on the road and how to manage these as they grow up.

Class photographs took place for children in Dosbarth Derbyn and Blwyddyn 6. Proofs will be sent home next week.

In their topic work of World War I, children in Bl. 5 and Bl. 6 separately visited Parc Eirias. Both year groups used their map reading skills and found a time capsule. They are all appointed historians and will research a Welsh soldier and create an ID card for him as well as create a gas mask. They now hope to open the time capsule
