

Ysgol Cynfran - Weekly Newsletter

Issue 10 Friday 16th November 2018 (Page 1)

News from the Headteacher

All year groups spent time this week on the topic of Anti-Bullying, as this is the official week allocated to this very important area. Whilst we spend time every week on Pivotal rules (Respect, Ready and Safe), and our collective worship together with Circle time, KiVa and Dina, we always make use of Anti-Bullying week as a time to reinforce.

The School Council and Eco Council are vital in helping to run the school. Please see page 2 of the newsletter for further details.

Many thanks to Mr Tim Hoare for this expert coaching session at school on Monday. All children in Bl. 5 & 6 benefitted from Tim's skills. The children will be competing in a tournament next Wednesday.

Children in Need day was a very fun and happy day. The children really went to town with their choice of clothes and we raised some money for a fantastic cause. Many thanks for all the excellent cakes that were made for today. Again, the proceeds from this will go off to Children in Need too.

We were very grateful to have the head of PSE from Ysgol Bryn Elian (Mr Russ Musgrove) in speaking with all Junior classes about cyber bullying too.

As the weather is much more changeable now, PE lessons are far more likely to take place in the Hall.

Could you please ensure PE kits are brought into school every Monday now? PE session times may vary as the Hall is also being used for Christmas concert practices too.

Funds raised by Bl. 5 have been received by the Air Ambulance and they were very grateful for this support.

We urgently require reader volunteers in the school. Volunteers are a valuable asset and if any parents or grandparents can spare any time we would be grateful. Please contact Mrs. Howells to register an interest. Thank you

School Council & Eco Council

The School Council and Eco Council are vital in helping to run the school. Children are democratically elected from Reception to Year 6 and are on the Councils representing all their peers.

They lead whole school projects taking ideas from their classmates, which help to make our school family and the fabric of our school a better, happier and more productive setting.

This year we have the following children representing their classes:

Dosbarth Derbyn: School Council Theo and Starla;

Eco Freddie and Kayla

Bl. 1: School Council Seren and Cerys;

Eco Rebecca and Riley

Bl. 2: School Council Beatrix and Charlie;

Eco Nicole and Oscar

Bl. 3: School Council Poppy and Dylan;

Eco Summer and Kai

Bl. 4: School Council Maya and Joe;

Eco Corey and Sian

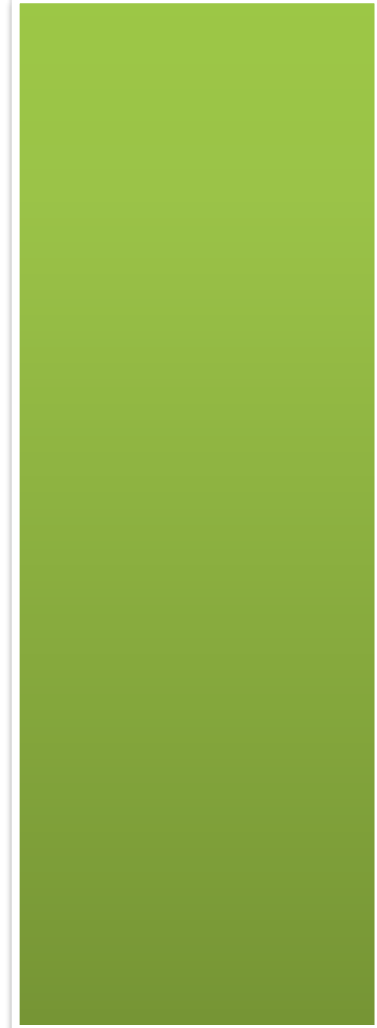

Bl. 5: School Council Connor and Izzy;

Eco Ryli-Bo and Evi

Bl. 6: School Council Olivia and Rhys;

Eco Ellyna and Harrison

Eco Council are already looking at reducing the use of plastic, recycling all fruit waste from classes and the yard. School Council will be looking at fund raising ideas to buy more resources.
